THE FANTASY FOOTBALL FUCKBOYS LEAGUE

EST. 2019

THE 2026 PREVIEW | Presented by The Strait of Hormuz

A letter from the Commissioner

Dear managers,

It is with great enthusiasm that I welcome you to the 2026 Fantasy Fuck Boi's season, brought to you by The Strait of Hormuz. I cannot believe we are in our eighth season of fantasy football. As always, you'll find everything you need inside of this year's edition. Seven Septembers that started exactly like this one, with twelve men convinced they will etch their name into the history books... But eleven of them will be wrong.

That's the whole cruelty of it. We show up every August and we all want the same thing, but there can only be one victor. The man who wins it doesn't only win it... He is immortalized alongside every name that came before. That's what we're playing for. Not the money, not the group chat. Permanence. The chance to be spoken about in this league long after we're gone.

Gentlemen, start your fucking engines.

- *The Commissioner*

FROM THE 2025 CHAMPION

Mommy's little Allstars | Tyler

"In the wisewords of Billie Joel Armstrong, 'summer has come and passed' (As far as I am concerned at least), which means it's that time of year boys. As your reigning champion id like to welcome all of you losing fucks to another year of degeneracy. I hope you have spent your off-season preparing to have what it takes to be a champion. In the past two years I have had two championship appearances and… It's not rocket science morons… Draft better

(A note from the commissioner: Tyler traded for half of his winning roster he can't draft for shit).

Whether you spent this summer making another baby, acquiring more 7/11 gas stations for your family, or selling your soul to the ancient Chinese Demon Aoyin (傲因) to have Lebron James traded a scumbag sports franchise, or thoroughly enjoyed a documentary about a mail order bride Frist Lady, it is time to pull all of that to the side and grind out these upcoming fourteen weeks to place yourself in the position to have the honor to address the league in the annual preview… However, I doubt that will happen to you. You are all forever my children. Go Birds."

FUN FACTS!

- Dom Camp the title at 12–2 in 2022, then went 2–12 the next year — the best and worst records in league history, back to back, same manager.
- The Commish went 3–11 in 2024, then 11–3 in 2025 and made the final.
- Russ finished last in 2024 with a winning record of 8–6.
- The 2023 champion, Dylan W, went 4–10 the following season and finished 11th.

141,231 points have been scored across 86 team-seasons since 2019

THE WALL OF SHAME

LAST PLACE PAYS

Thank You, Dylan T, for finishing in last place last season and serving as the first ever punished manager for your terrible season.

TEAM-BY-TEAM

SEASON PREVIEW

All twelve, ranked by where they finished in 2025. Worst to first.

NO. 12 · Martinsburg Man Whores

DYLAN T · 2025: 12th · 1519.3 PF

THE TAPE

2025 finish: 12th · 6–8
Points for: 1519.3 (12th)
All-time: 32–38 · 5 seasons
Titles: None
Best finish: 5th (2024)
Last-place runs: 1 (2025)

THE OUTLOOK

Dead last in points for, dead last in the standings, and the only manager in the room currently serving the punishment. The 2024 version of this team scored 1902.4 and finished 5th; the 2025 version lost 383 points off that number and fell seven spots. Five seasons in, the ceiling is still 5th place.

BOLD PREDICTION: YOU SUCK AGAIN

NO. 11 · Ben Simmons Blows

DOM C · 2025: 11th · 1589.25 PF

THE TAPE

2025 finish: 11th · 5–9
Points for: 1589.25 (11th)
All-time: 49–47 · 7 seasons
Titles: 2 (2020, 2022)
Best finish: 1st
Last-place runs: 0

THE OUTLOOK

Owns two rings and both ends of the record book: the 12–2 title run in 2022 and the 2–12 collapse in 2023, which is still the worst season anybody has ever put up here. Three straight finishes outside the money since. The trophy case says legend; the last three years say something else.

BOLD PREDICTION: GO BIRDS!

NO. 10 · Team Crashee Rice

ABHIK · 2025: 10th · 1626.35 PF

THE TAPE

2025 finish: 10th · 5–9
Points for: 1626.35 (10th)
All-time: 39–57 · 7 seasons
Titles: 1 (2024)
Best finish: 1st (2024)
Last-place runs: 0

THE OUTLOOK

The defending champion of 2024 defended nothing. Won it all at 8–6, then dropped to 5–9 and 10th the very next year. Career mark of 39–57 is the worst of any seven-season manager in the league, which makes the 2024 banner either the greatest heist in FFBFFL history or proof that none of this means anything.

BOLD PREDICTION: YOU SUCK AGAIN!

NO. 9 · Mothman for MVP

JAKOB · 2025: 9th · 1659.75 PF

THE TAPE

2025 finish: 9th · 5–9
Points for: 1659.75 (9th)
All-time: 50–46 · 7 seasons
Titles: None
Runner-up: 2 (2019, 2020)
Best finish: 2nd

THE OUTLOOK

Two second-place finishes in the first two seasons of the league and nothing since. Went 9–5 and finished 3rd in 2024, then fell to 5–9. One of only four managers to play all seven seasons; the only one of those four still waiting on a ring after making the final twice.

BOLD PREDICTION: YOU MAKE STUPID TRADE AGAIN AND HAND OVER CHAMPIONSHIP!

NO. 8 · Combo Number 6 from Wendy's

JACK · 2025: 8th · 1705.4 PF

THE TAPE

2025 finish: 8th · 7–7
Points for: 1705.4 (8th)
All-time: 21–47 · 5 seasons
Titles: None
Best finish: 7th (2020, 2025)
Last place runs: 1 (2023)

THE OUTLOOK

A .309 career winning percentage, the worst of anyone who has played more than one season, and a best-ever finish of 7th. The 7–7 in 2025 was the first non-losing season of his career. Progress is progress.

BOLD PREDICTION: YOU DO SO-SO

NO. 7 · Yes Chef!!

PRESTON · 2025: 7th · 1544.55 PF

THE TAPE

2025 finish: 7th · 5–9
Points for: 1544.55 (last)
All-time: 32–24 · 4 seasons
Titles: None
Best finish: 3rd (2023)
Last place runs: 0

THE OUTLOOK

Went 12–2 in 2023 and finished 3rd, which was the second-best regular season anyone has ever had. Then 8–6, then 5–9 with the fewest points in the league. Career winning percentage is still .571 — the trend line is the problem, not the résumé.

BOLD PREDICTION: IF YOU HAD 150,000 DOLLARS! YOUD SPEND IT ON A CHAMPIONSHIP

NO. 6 · The Nabers Touched My Penix

RUSS· 2025: 6th · 1861.5 PF

THE TAPE

2025 finish: 6th · 8–6
Points for: 1861.5 (3rd)
All-time: 45–24 · 5 seasons
Win pct: .652 (league best)
Titles: None
Best finish: 4th (2023)

THE OUTLOOK

The best manager in league history by winning percentage and the only one on this list who has finished last with a winning record. Holds the single-season points record (2053.05 in 2023), the longest win streak (13 straight), and exactly zero championships. Five seasons, 45 wins, no hardware.

BOLD PREDICTION: YOU DO GOOD, NO CHAMPIONSHIP!

NO. 5 · Who's Cruising? Not Me

MIKEY · 2025: 5th · 1801.65 PF

THE TAPE

2025 finish: 5th · 7–7
Points for: 1801.65 (4th)
All-time: 56–40 · 7 seasons
Titles: 1 (2021)
Runner-up: 1 (2022)
Best finish: 1st (2021)

THE OUTLOOK

Tied for the most wins in league history at 56, with the highest career scoring average of any seven-season manager at 127.2 per game. Won it in 2021, lost the final in 2022, and has been drifting mid-table ever since. Still the most consistently dangerous roster in the room.

BOLD PREDICTION: GET OIL CHANGE BEFORE SEASON START AND YOU DO GOOD

NO. 4 · Inhood Trash Pandas

JUSTIN · 2025: 4th · 1757.55 PF

THE TAPE

2025 finish: 4th · 9–5
Points for: 1757.55 (6th)
All-time: 56–40 · 7 seasons
Titles: None
Runner-up: 2 (2021, 2023)
Top 4 finishes: 6 of 7 seasons

THE OUTLOOK

Top four in six of seven seasons, tied for the most career wins, two trips to the final, and still nothing to show for it. The only real blemish is 2022, when he went 4–10 and finished 11th out of nowhere. If anybody is overdue, it is this team.

BOLD PREDICTION: TOO MANY BABIES. NOT ENOUGH FOOTBALL. YOU DO BAD!

NO. 3 · Bring Back The 4 for 4

DYLAN · 2025: 3rd · 1647.7 PF

THE TAPE

2025 finish: 3rd · 8–6
Points for: 1647.7 (7th)
All-time: 52–44 · 7 seasons
Titles: 2 (2019, 2023)
Best finish: 1st
Last place runs: 0

THE OUTLOOK

Won the very first one in 2019 and won again in 2023. Follows every title with a faceplant — 5–8 after 2019, 4–10 after 2023 — then climbs right back. Finished 3rd in 2025 with the seventh-most points in the league, which is exactly the kind of season this manager turns into a ring.

BOLD PREDICTION: YOU DO OKAY

NO. 2 · Jr. Double Triple Whopper

Commish · 2025: 2nd · 2002.15 PF

THE TAPE

2025 finish: 2nd · 11–3
Points for: 2002.15 (2nd all-time)
All-time: 48–48 · 7 seasons
Titles: None
Runner-up: 1 (2025)
Best finish: 2nd (2025)

THE OUTLOOK

Best record in the league, second-most points anybody has ever scored in a season, and a loss in the final. Did it one year after going 3–11 with an 11-game losing streak, which remains the longest skid in league history. Exactly .500 for my career — 48–48 — 0

BOLD PREDICTION: I WIN CHAMPIONSHIP

NO. 1 · Mommy's Little Allstars

TYLER · 2025: 1st — CHAMPION · 1855.8 PF

THE TAPE

2025 finish: CHAMPION · 8–6
Points for: 1855.8 (5th)
All-time: 23–19 · 3 seasons
Titles: 1 (2025)
Runner-up: 1 (2024)
Best finish: 1st (2025)

THE OUTLOOK

Lost the final in 2024, won it in 2025, and did it with the fifth-most points and a record two full games worse than the team he beat. Three seasons in the league: 9th, 2nd, 1st. The trajectory is obnoxious and the trophy is real.

BOLD PREDICTION: FUCK YOU FUCK YOU FUCK YOU FUCK YOU FUCK YOU
