FFBFFL WEEK 3 RECAP

This house is a fucking prison! On planet bullshit! In the galaxy of 'THIS SUCKS CAMEL DICK!'

"They care not how many Estonians, Latvians, Finns, Poles, Yugoslavs or Greeks get murdered or mistreated as Displaced Persons as long as they [Every other League Manager] get special treatment. Yet when they have power, physical, financial or political neither Hitler nor Stalin has anything on them for cruelty or mistreatment to the underdog." – 33rd president of the United Sates of America, Harry S. Truman

I start this recap with that somewhat modified quote because I believe that the eleven other men in this room have conspired against me in coordination with none other than one Benjamin Netanyahu. How can it be that me, a young goy can score 154.10, which would have beaten literally anybody else. I currently stand at #5 in Points For and #1 in Points Against.

Congratulations to everyone enjoying my suffering… Go birds… Also Bonus… Go Phils

WEEK III

CRUISE CONTROL 156.45 • WE ARE CHRISTIAN KIRK 154.10

Mikey needed the league's highest score to beat me because I am literally better than every single one of you; apart from Dylan W, Mikey, Russ, and Jakob, the only four managers who have scored more points than me this season... Sam Donald Psyduck dropped 40.45, while Gym Leader Brock Bowers sent out Onix for another 28.60. I countered with Bulbasaur Robinson's 36.30, which should have been super effective, but it wasn't enough... Atleast I have an excuse to have Nurse Joy drain my Pokeballs again

TEAM CRASHEE RICE 123.55 • BEN SIMMONS BLOWS 87.00

I was going to write something deeper for this game but bc Dom has and played the Eagles defense I no longer want to and you cant stop me. Fuck it, I'll go back to work instead of writing this bullshit. But in all seriousness can we please talk about why Jihaad fucking Campbell gets the fucking start over Jerimihah Trotter Jr. ?! This fucking asshole is god awful in coverage. Cooper Dejean is clearly racist as evidence by the change in the defensive backfield. It makes you wonder if the Iowa University graduate is truly just a DEI hire.

MOTHMAN FOR MVP 126.10 • EL LUCHADORES 116.55

Jakob put on a clinic as

'They're creepy and they're kooky

Mysterious and spooky

They're all together ooky

The Davante Adams family'

Dropped 21.70 and next to Chris Olave's 20.70, surviving just 1.70 from De'Von Achane. Jack got a taste of the suite life getting 29.40 from Drake London Tipton but had an early checkout as it wasn't enough to overcome a 126.10 performance.

MOMMY'S LITTLE ALLSTARS 150.40 • BRING BACK THE 4 FOR 4 128.85

Fuck you Tyler

JAYDEN NO 5 113.10 • INHOOD TRASH PANDAS 93.70

Russ won with the week's ninth-highest score, getting 23.70 from Dakokta Fanning Prescott and 17.00 from Bhayshul 'I got Smelly' Tutens while Justin's Packers defense actively removed five points. Mahomes' 22.40 and Jakobi Seth Meyers' 19.40 could not hide Khalil Shakir's 1.60 or Jonathan Taylor's 9.20.

MARTINSBURG MAN WHORES 130.70 • YES CHEF 90.20

Dylan won a game before me... I hate it here...

WEEKLY AWARDS

CURT CIGNETTI "I GOT A BIGGER GUN"

Cruise Control - 156.45, the weekly high by 2.35. Mikey's second scoring crown in three weeks comes at my expense.

CAM WARD "WE ASS"

Ben Simmons Blows - 87.00 earns Dom Campese a second straight award. How this guy won a championship I have no clue

ANTONIO BROWN "DICKHEAD OF THE WEEK"

El Luchadores - Fannin over Hunter Henry alone turns Jack's loss into a 139.15–126.10 win. Even Zay Flowers over Rashod Bateman produces a 126.25–126.10 escape.

HE'S STILL RUNNING – GLENN TAPE WATCH AWARD

Jahmyr Gibbs • Mommy's Little Allstars - 41.40 led all active starters this week. Fuck you Tyler.
